

## Headquarters U. S. Marine Corps,

WASHINGTON, D. C.,

February 2, 1922.

From: The Major General Commandant.  
 To: All Officers.  
 Subject: Extension of enlistment.  
 Reference: (a) Paragraph 10, Marine Corps Orders.

1. The following change in paragraph 10 (2), Marine Corps Orders, which change will appear in the forthcoming Marine Corps Manual, is published for the information and guidance of the service:

10. (2) The term of enlistment of any enlisted man may, by his voluntary written agreement, be extended for a period of either one, two, three, or four full years from the date of expiration of the then existing term of enlistment. An agreement to extend an enlistment must be executed prior to or at expiration of original enlistment; and a man serving in an extension of less than four years may before expiration of such extension, further extend his term repeatedly by one or more full years, the aggregate of all extensions not to exceed four full years from the date of expiration of original term; but no man shall be permitted to extend, or reextend, his term of enlistment where his retention is not desirable, and at any time before an extension term begins to run the commanding officer may cancel the extension agreement should the man's conduct so warrant. However, unless specially authorized by the Major General Commandant, extensions for one year will be accepted only in the case of

(a) A man on foreign or sea service, for the purpose of continuing thereon after expiration of term of enlistment.

(b) A man on shore duty within the continental limits of the United States who has applied for sea or foreign service, for the purpose of extending his enlistment period sufficiently to meet requirements for transfer for such service.

(c) A man on recruiting duty, or on duty at Headquarters Marine Corps or at detached staff offices or depots.

JOHN A. LEJEUNE.
