Please join our Marine Corps Association for our Dallas Professional Dinner on Friday, 27 October 2023 at Union Station in Dallas, TX.

The Marine Corps Association is based in Quantico, Virginia but supports Marines all over the world by providing world class major award and PME events for the Corps including those for Headquarters Marine Corps Installations & Logistics, PP&O, Information, CD&I, as well as for Systems Command, the Marine Expeditionary Forces, and Logistics Command. Additionally, we provide battlefield studies for active-duty Marines, Reserves and Wounded Warriors as well as military libraries for units.

Sponsorships are a great way to get your company noticed by the Marine Corps' top decision makers and a great way to give back to the Corps. Active-duty Marines attend our events at no charge thanks to the support of our Foundation. Your support will go to enhance our resources which include providing over 6,000 awards annually—ranging from the Leftwich Trophy to awards presented at the United States Naval Academy to writing awards.

*Get involved today by reserving one of the following sponsorships:*
