Please Join Us at MCA's 5th Okinawa Professional Dinner!

Our organization will be hosting another professional dinner in Okinawa! It will be held at the Butler Officers' Club on 28 September 2023.

MCA provides major award and PME events for the Marine Corps including those for HQMC I&L, PP&O, and Information as well as for CD&I and Marine Corps Systems Command. We have also provided battlefield studies for active duty Marines, Reserves, and Wounded Warriors.

Sponsorships are a great way to get noticed by the Marine Corps' top decision makers and a great way to give back to the Corps. Your support goes to help our programs which enable us to provide over 6,000 awards each year! Get involved today by reserving one of the following sponsorships.
